Dear Mr Keenan

**Information Commissioner's Office (ICO) Decision Notice**

Your email, dated 29 April 2010, on the above refers.

The Information Commissioner's decision related to electronic data as set out in Paragraph 19 of the Decision Notice – "the withheld information in this case is the data held electronically by QUB". The University has complied fully with this requirement and published all information held electronically up to the date of your complaint. In the three year period it has taken to generate the Decision Notice, further files have been created. I now note that these have been included in the scope of the Decision Notice and have, therefore, taken immediate action to ensure that the website has been updated to include these additional files – all electronic files on tree-ring data, held by the University, have now been disclosed through the University's website at the following address:

[http://chrono.qub.ac.uk/Resources/dendro\\_data/dendro.html](http://chrono.qub.ac.uk/Resources/dendro_data/dendro.html)

If you are interested in more specific data associated with the files that the University has published, or more general information about the data and formats that are held, please contact the Head of School, Professor Keith Bennett, by telephone on 028 9097 5140 or email at [hos.gap@qub.ac.uk](mailto:hos.gap@qub.ac.uk).

I trust this is helpful.

Yours sincerely

Clare Jamison  
Head of the Registrar's Office
